Universal Compatibility

Tested to work with over 200 phone models from more than 15 brands like Motorola, Nokia, Samsung, Sony-Ericsson and LG.

*This device supports *Bluetooth* Advanced Audio Delivery, Audio Video Remote Control, Hands-free and Headset profiles. The experience icons identify devices that utilize the same profile(s), helping to ensure basic compatibility between such devices. However, certain advanced *Bluetooth* features, including those listed, may not be supported by all devices featuring such icons, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality, or visit www.hellomoto.com/bluetooth for more details.

†Network and/or SIM card dependent feature, not available in all areas. Airtime, data charges and/or additional charges may apply.

The use of wireless phones while driving may cause distraction. Discontinue a call if you can't concentrate on driving. Additionally, the use of wireless devices and their accessories may be prohibited or restricted in certain areas. Always obey the laws and regulations on the use of these products.

Rock your ride with the **MOTOROKR™ T505**. The T505 streams wireless music and calls from your Bluetooth® stereo enabled phone or MP3 player to your car's stereo system. Digital FM transmission and StationFinder™ technology let you just clip-n-go!

Portable music and calls.

The T505 clips to your car's sun visor, so you can take it from car to car. It's an easy way to take wireless music & calls for a ride!

StationFinder™

Breakthrough StationFinder™ technology finds and announces the best FM station for clear audio and minimal static.

Volume and Clarity.

Use the powerful internal speaker or transmit to your car's stereo system—your choice. Advanced echo & noise reduction technology lets you hear and be heard with ease!

MOTOROKR™ T505 Bluetooth® In-Car Speakerphone and Digital FM Transmitter

Wireless Music & Calls. Fully Portable.

Bluetooth® wireless for the road!

- Wirelessly link your music to your car stereo from a compatible Bluetooth stereo enabled phone or music device.
- StationFinder™ does the work for you—announcing the best FM station for clear audio and minimal static.
- Audio CallerID+ announces the number of the person calling.
- Exclusive EasyPair technology simplifies connecting to your Bluetooth device.

Just clip-n-go!

Wireless music & calls through your car stereo

The T505 wirelessly connects to your FM radio so you can enjoy your music on your car stereo. Music pauses when you take an incoming call.
